### **M&Co Fashion Show - Thursday 26th October, 7pm**

M&Co will provide posters and the tickets priced at £3. All proceeds from ticket and raffle sales will go to SAFFA. There is 10% off all items purchased on the night.

SAFFA need to: find 12 children to model. (This is going to be done through the use of a colouring competition. Laura to write a cover letter to accompany the colouring sheet.)

find 2 or 3 adult volunteers to model.

provide refreshments

provide prizes for an 'on the night' raffle

advertise in the school and church newsletter

There will be a meeting at school on 12th October at 2pm to discuss the fashion show further.

### **Aviva Community Fund**

It was decided that we would stick with applying for the £1000 award rather than risk going for £5000 and come away with nothing.

The agreed project is to employ someone to re-train the existing willow dome and add extra willow tunnels and domes. This will provide the children with the foundation of a nature garden and base for future projects. There is the potential for the children to be taught how to prune and maintain the domes themselves.

### **Sponsored Walk**

Laura is to make sure that all the necessary risk assessments have been done.

Laura to get all the sponsored walk forms sent out to parents on Friday 22nd September. And collect names of volunteers to let Sarah know how many we have.
