

A massive thank you to all the parents who volunteered on today's Sponsored Walk. The weather was amazing and the children all did really well.

Proud to be me

There was no *Proud to be me* assembly today due to Sponsored Walk adventures. All awards will be handed out at next Friday's assembly.

Upcoming Events...

Tuesday 9th October, 3:30-5:30pm. Meet the Teacher.

Plugs for parents...

Safety Notice: Please can all parents who drive to School park on the pavement in such a way that it allows pedestrians to pass. There have been incidents of children having to walk on the road because they can't get passed parked cars, Thank you.

Sponsored Walk Reminder: A big well done to all the children who went on the sponsored walk today. Please return any money you've raised to School by Friday 19th October.

Live Music with Pie and Pea Supper – With sadness we have to say that his event has had to be postponed. We will hopefully book in another date in the near future.

NSPCC PANTS Campaign: You may have noticed your child singing a song this week about Pantasuarius??? We all want to keep our children safe and the PANTS campaign is a child friendly resource which gives us as adults the way in to talk to our children about how to stay safe from sexual abuse. We understand this is never going to be an easy conversation to have with our children, but it can be just as easy as the road safety chat. We have sent your child home today with 'The Talk PANTS Guide for Parents' please do find a little time to read it as it will hopefully give you the confidence to discuss this with your child. We will be covering the subject in school across all year groups and it would be great if you could continue the discussions at home too. Look out for our PANTS display coming to the school hall very soon...!

News...

St. Ann's School is Air Aware. Sheffield City council are urging all parents across the city to switch off their engines when waiting to pick up their children from School. The emissions that come from vehicle exhausts are harmful for everyone, especially children who breathe more and at a faster rate than adults and whose health will be permanently damaged.
