What's going on this week?

The Duchess of Sussex, Meghan Markle, is taking action against a newspaper after she claims it published a letter she wrote to her dad without her permission. Meghan's team has confirmed the action against the British paper, accusing it of a "campaign...to publish false stories about her". In a statement, Prince Harry said, "as a couple, we believe in media freedom and objective, truthful reporting" but that "to stand back and do nothing would be contrary to everything we believe in, put simply, it is bullying".

*Things to talk about at home...*

- 🍌 Talk about any famous people we are aware of. What are they famous for? Do we think they chose to be famous?
- 🍌 How do we think the lives of famous people are different from our own? What things in their lives might be easier and what things might be harder?
- 🍌 What do we think is meant by a 'private life'? Do we think we all should be allowed to keep some parts of our lives private, even if we are famous?
