

Wishing all of our School community a very happy Easter

Plugs for Parents...

Easter Holidays: Weeks commencing 13th and 20th April are our Easter holiday weeks. Virtual Classrooms and home learning will stop over the Easter holiday as we all take a well-earned break from lessons. Virtual schooling will re-start w/c Monday 27th April.

Easter Weekend Resources: As we prepare to celebrate Easter Sunday without being in the presence of our school and church communities there is an opportunity to create our own unique Easter story within each individual household. Whatever situation we currently find ourselves in, we can all benefit from taking the time and space to be calm and reflect. Please find below a few links that might be useful in creating your own home family liturgies.

The Servant King hymn <https://www.youtube.com/watch?v=GrQiLEO4D5s>

Easter Sunday Liturgy for families <https://www.tentenresources.co.uk/sunday-liturgy-for-families>

Lottery Grant: We are in the process of applying for lottery funding to purchase outdoor play equipment for our school. In order to improve our chances of winning the bid, we must show that we have consulted different stakeholders and prove that there is a need, and that the equipment has a potential to enrich people's lives. You can help by taking a few minutes to fill in this short questionnaire. <https://forms.gle/yFrGZzCwSanASwHn8> Many thanks.
