

St. Ann's Catholic Primary School Newsletter

Friday 17th July 2020

'Unprecedented' has to be the word of the year! It has truly been a year like no other. We would like to take this opportunity to thank all our families for your support and understanding this year as we have tried our very best to navigate this pandemic, and for your dedication to rise to the challenge of home schooling – we know how rewarding... and difficult it can be!

We wish you all a happy and healthy summer.
From the team at St Ann's

Plugs for Parents...

September: St Ann's will re-open for every child on Wednesday 2nd September with the exception of our new Reception class, who will start their transition on Monday 7th September.

Recovery Teaching and Curriculum plans: There will be more information to follow in the first week back in September about this.

Full Reopening of School Handbook: Sent out as an attachment with this newsletter is the Reopening Handbook for September. Please have a read and familiarise yourself with the information.

Timetable for September (page 9 in the Reopening Handbook):
