ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

GOVERNORS' REPORT

FOR THE PERIOD ENDED 31 AUGUST 2020

The Governors present their Annual Report, together with the financial statements and auditor's report of the Charitable Company for the period 1st September 2019 to 31 August 2020. The Annual Report serves the purposes of both a trustees' report and a directors' report under Company Law.

The Trust operates an Academy for pupils aged 4 to 11 serving a catchment area in Stocksbridge, Deepcar, Penistone and surrounding areas. It has a pupil capacity of 140 and had a roll of 100 on 1 September 2020.

Structure, Governance and Management

Constitution

The Academy Trust is a Company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust. The Governors of St Ann's Catholic Primary School, A Voluntary Academy, are also the trustees and directors of the Charitable Company for the purposes of Company Law. The Charitable Company is known as St Ann's Primary School Academy.

Details of the Governors who served during the year are included in the Reference and Administrative Details on Page 1.

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' Indemnities

Governors benefit from indemnity insurance purchased at the Charitable Company's expense to cover the liability of the Governors which, by virtue of any rule of law, would otherwise attach to them in respect of negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy, provided that any such insurance shall not extend to any claim arising from any act or omission which the Governors knew to be a breach of trust or a breach of duty or which was committed by the Governors in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as directors of the Charitable Company.

Method of Recruitment and Appointment or Election of Governors

The Diocesan Bishop appoints a minimum of 9 Foundation Governors so as to ensure that at all times the number of Foundation Governors exceeds the total number of other Governors (excluding Foundation Governors) by at least two. Applications for a vacant Foundation Governor position are forwarded to the Bishop for appointment.

The arrangements made for the election of a parent Governor provides for every person who is entitled to vote in the election to have an opportunity to do so by post or by the pre-registered email address held on file for each parent entitled to vote. The parent receiving the highest number of votes shall be appointed.

The arrangements made for the election of a staff Governor provides for every member of staff who is entitled to vote in the election to have an opportunity to do so. The staff member receiving the highest number of votes shall be appointed.

The umbrella Governor is appointed by the Umbrella Trust.

Policies and Procedures adopted for the Induction and Training of Governors

The academy has an internal induction programme for new Governors. Governor training has been identified as a priority. A budget is provided for the cost of training. All Governors are to be encouraged to identify any areas of governance in which they believe they would benefit from training. Every effort will be made to identify and provide appropriate training courses as soon as practicable.

Arrangements for setting pay and remuneration of key management personnel

The trust reviews its pay policy annually and all salary pay scales are set out in the policy. The criteria for pay groups, band and pay progression are set out in the Teachers Pay and Conditions document. This forms the remit for the Academy Trust pay structure for Key Management Personnel.

Academy trustees are non-executives and are not remunerated for their role as a trustee.

Trade union facility time

The academy has chosen not to report this data.

Connected Organisations including Related Party Relationships.

St Ann's Catholic Primary School, A Voluntary Academy is part of the Diocese of Hallam Schools' Partnership Agreement. A full list of schools can be found at the Diocese of Hallam website.

The Academy is part of the Our Lady Umbrella Trust for procurement purposes only. However, this does not impact on the Academy Trust's operating policies.

Objectives and Activities

Objects and Aims

- To allow pupils to grow and learn with the guidance of God.
- To enrich the foundation stones of Faith, ensuring all members of the community are welcome.
- To develop inquisitive thinkers with a love of learning who cherish independent thought.
- To pursue diversity and collaboration as foundation stones towards success.
- To promote enquiry, investigation and an enthusiasm to learn.
- To foster individuality and encourage initiative, creativity and the appreciation of the world around them.
- To promote the freedom to think and imagine, creating opportunities to record aesthetic images in word and visual form.
- To set high expectations at all levels in order to ensure progress towards an outstanding school, with outstanding children and outstanding practice.
- To enable children, former pupils, parents and staff to take pride in the community's distinctiveness and to feel valued and nourished by the community.
- To foster interest beyond the school – engaging with the local community and developing a national and international awareness.
- To provide a learning environment that is embedded in high expectations.
- To develop a school of research where CPD is in-built and integral to each day.
- To grow as an Academy collaborating with schools in the Umbrella Trust.

Objectives, Strategies and Activities

The Academy's objectives, strategies and activities are as follows:

- KS1 to be at least in-line with national achievements.
- KS2 to be at least in-line with national achievements.
- To improve outcomes for Reading across the whole school.
- Embed our new St Ann's Curriculum
- Implement a new Assessment System

Public Benefit

The Academy provides educational services to all children in the local area. The Governors confirm that they have complied with the duty in Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance provided by the Charity Commission.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

GOVERNORS' REPORT

FOR THE PERIOD ENDED 31 AUGUST 2020

Strategic Report

During the period May – August 2019 work was completed on the re-roofing project which was funded through the Condition Improvement Fund. We received £208,916 in 2017/18 and received additional funds of £52,229 in 2019/20. Due to an underspend on the project we expect a repayment will be due.

Achievements and Performance

Key Performance Indicators

The impact of Covid-19, which started from March 2020, has resulted in a change of direction for the school in relation to the School Development Plan. All subject leaders' responsibilities were suspended until Autumn 2020 in order for the teachers to focus on the pupil's mental health and well-being within their classes. This also ensures the subject leaders are not compromising the Covid-19 risk assessments and crossing bubbles.

Key Financial Performance Indicators

The main financial performance indicators used to monitor the financial performance of the academy are as follows:

- Comparison of income/expenditure to budget forecast
- Comparison of income/expenditure to previous periods
- Feedback to the governing body about the performance of the teachers
- St Ann's was inspected by Ofsted in October 2019. Ofsted judged St Ann's as a 'good' school
- The RE Inspection (February 2016) Report stated 'The effectiveness of the school providing Catholic education is 'good'.

Going Concern

After making appropriate enquiries, the Board of Governors agree that there is a material uncertainty as to the expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. Although reserves as at 31 August 2020 are positive, deficits are forecast going forwards and without significant cost savings or additional income, funds are anticipated to be in a deficit position by August 2021. The trustees are looking into all possible cost saving measures to try and mitigate the effect of this.

The impact of Covid-19 on the school's financial situation is ongoing and we envisage this will have a negative impact on the budget going forward. This is due to the school having to commit to investing in a higher number of cleaning products and extra supply staff to ensure the teaching and learning continues throughout the pandemic.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

GOVERNORS' REPORT

FOR THE PERIOD ENDED 31 AUGUST 2020

Financial Review

The academy trust has a cash reserve of £103,465 (2019: £239,674) at the bank, with total net assets of £893,746 (2019: £1,152,034) as at 31 August 2020. The net assets include fixed asset reserves of £1,207,569 (2019: £1,251,862) and a deficit on the pension scheme reserve of £327,000 (2019: £134,000).

The Trust adopted as its principal financial policies the Academies Financial Handbook published by the DfE, Academy Schools: guidance on regulation as Charities and Internal Controls for Charities published by the Charities Commission together with the Academy's operational Financial Management and Administration procedure.

The academy trust is principally funded by the General Annual Grant from the Department of Education.

The in-year deficit for this financial year is £258,288 this includes a loss on the pension scheme of £154,000.

Reserves Policy

The Governors review the reserve levels of the academy annually. Our aim is to use the funds each year for the full benefit of the pupils within that year. However, the Academy also considers it necessary to carry forward some reserves:

- to invest in future years' priorities for the children of our schools, for example capital projects;
- to have a contingency reserve to cover a reduction in pupil numbers; and
- to cover any unforeseen urgent maintenance.
- The main financial risk to the academy is that of managing its short-term cash flow should there be a delay in receiving the monthly General Annual Grant (GAG) funding. To mitigate against this risk it has been agreed that an appropriate reserves balance would equate to 1 month worth of GAG. This would cover expenditure, both in terms of salaries and invoices. The Academy will therefore aim to maintain a revenue reserve therefore of £41,262 (as was in February 2016).
- The Academy Trust has agreed to set a reserve limit to keep money aside for when it is needed most and build up reserves for capital emergencies. The Academy will therefore aim to maintain a £20,000 capital reserve.
- The total reserve the Academy will work towards maintaining within 3 years (from February 2016) will therefore total £61,262. The academy has fallen short of this figure and are looking at ways to reduce costs going forward to mitigate the risks.

The level of free reserves (total funds less fixed asset and other restricted funds) held at 31 August 2020 was £13,177.

The restricted pension fund reserve is in deficit to the value of £327,000 as at 31 August 2020. This deficit has been inherited upon conversion to academy status and the Governors will continue to monitor this situation closely.

Investment Policy

The Academy Trust currently has no financial investment. However, should it decide to pursue these in the future, the policy would be to delegate the management of investments to a financial expert.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

GOVERNORS' REPORT

FOR THE PERIOD ENDED 31 AUGUST 2020

Principal Risks and Uncertainties

The principal risk and uncertainty faced by the Academy Trust is the continued funding from the Department for Education. To mitigate against this risk, the Academy Trust ensures that these funds are used for the purpose they were provided for and only in accordance with guidance laid out in the DfE Academies Financial Handbook. The Academy Trust ensures proper stewardship of those funds by promoting economy, efficiency and effectiveness in their use, using its discretion reasonably and taking into account any and all relevant guidance on accountability or propriety.

The impact of Covid-19 has also resulted in the school reviewing all curriculum activities to ensure they are safe and within the risk assessment whilst trying to ensure a broad and balanced rich curriculum is offered to all children. This also included remote teaching and learning offered to all pupils during this period. The school has established those families/pupils who do not have access to laptops and have ensured they can use the schools resources as and when they are needed.

Fundraising

The school raises funds through the work of the St Ann's Friends and Family Association (SAFFA) who fundraise throughout the year. This has involved the Sponsored Walk and Christmas Fayre, for pupils and families. There have been no complaints received in relation to this. The school makes clear that all fund raising carried out is of a voluntary nature and used to support the school in educating the pupils.

The impact of Covid-19 has resulted in all major fund-raising events being cancelled from March 2020 until further notice. Therefore, this will have a negative impact on their ability to contribute financial support to the school.

Plans for Future Periods

The school continues to strive to improve teaching and learning with all resources being used towards this aim. Initial future plans are mostly focused on the ever changing Covid-19 pandemic and ensuring the school is following all government guidance relating to Primary Education. The catch up funding, approximately £7,000 will be used to resource pre-teach and intervention strategies to ensure the gap is constantly closing where possible. The Diocese of Hallam are formulating a strategic plan to become a MAT and we have been identified as cohort 1, with the probability this will be finalised in the academic year 2021-22.

Auditor

Insofar as the Governors are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2020

Scope of responsibility

As governors we acknowledge we have overall responsibility for ensuring that St Ann's Catholic Primary School, A Voluntary Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The governing body has delegated the day-to-day responsibility to the principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Ann's Catholic Primary School, A Voluntary Academy and the Secretary of State for Education. They are also responsible for reporting to the governing body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Governors' Report and in the Statement of Governors' Responsibilities. The governing body has formally met 3 times during the year. Attendance during the year at meetings of the governing body was as follows:

| Governors | Meetings attended | Out of possible |
|-------------------------------|-------------------|-----------------|
| L Porter | 1 | 1 |
| A Moffatt | 1 | 1 |
| S Eady (Accounting Officer) | 1 | 1 |
| A Ashton (Chair of Governors) | 1 | 1 |
| M Wilkinson | 1 | 1 |
| I Gillespie | 1 | 1 |
| C Brotherton | 1 | 1 |

The Board of Governors met once within the year. Due to Covid-19 Lockdown.

To ensure that effective financial oversight has been maintained through the year there have been two additional HR and Finance committee meetings in the period.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

Review of value for money

As accounting officer the principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the governing body where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

Collaboration

We continue to build on our strong support with Sheffield Catholic Schools Partnership, Stocksbridge Family of Schools and Sheffield Locality G. Whenever possible, our inset/staff training is continuing to be arranged in conjunction with other schools to reduce the cost.

Governance and Staffing Structure

We continue to review the staffing structure in accordance with the needs of our pupils.

The governing body has remained static throughout the year.

Purchasing of Services

The Governors rigorously continue to seek quotations for subscriptions and services to ensure best value for money.

Budget Restrictions

An independent bursar is employed by the school who prepares monthly returns and budget forecasts. Purchases over £5,000 must be approved by the Governors as before. Cost centres are reviewed and adjusted at regular intervals to scrutinise under spending or potential overspending.

Recommendations

The Risk Register has continued to be maintained during the year.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Ann's Catholic Primary School, A Voluntary Academy for the period 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and accounts.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

Capacity to handle risk

The Governing Body regularly reviews its role, part of which is to review the key risks to which the Academy Trust is exposed, together with the operating, financial and compliance controls that have been implemented to mitigate against those risks. The Governing Body is of the view that it is successful in ensuring there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks and that these have been in place for the year ended 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Governing Body.

The board is particularly aware of the reduced budget that has hit the school over the last two years and works in partnership with the accounting officer to mitigate against this reductions by making cuts where possible. However, it is noted that should these cuts continue, balancing the budget will pose a significant challenge to the school.

Data Management

Financial data is scrutinised at the Finance Committee as detailed above. Student data is assessed at the Standards Committee. The school bought into the FFT Aspire, which is the UK's leading education data analysis tool. It is used by over 13,500 schools, MATs, local authorities and academy chains. The Headteacher has attended regular training on how to interpret and analyse the data and gives regular feedback at Governor Meetings. The Board is confident of the quality of this data and has found the use of the FFT Aspire has helped with the understanding and analysis.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The internal audit function has been carried out quarterly by the Bursar throughout the year.

During the quarterly reviews, advice on financial matters has been given, while performing a range of checks on the academy trust's financial systems. In particular the checks carried out were:

- testing of purchasing/procurement systems including ensuring that authorisation and value for money policies are adhered to;
- testing of payroll systems;
- testing of the receipt of income systems;
- testing of bank controls and reconciliation procedures;
- testing of VAT reporting;
- testing of the website, ensuring it is up to date with the relevant information

On a termly basis, the internal auditor reports to the governing body through the finance and general purposes committee audit committee on the operation of the systems of control and on the discharge of the financial responsibilities of the governing body.

Review of effectiveness

As accounting officer the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the work of the bursar;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance and general purposes committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2020

As accounting officer of St Ann's Catholic Primary School, A Voluntary Academy, I have considered my responsibility to notify the academy trust governing body and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the academy trust's governing body are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2019.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the governing body and ESFA.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

STATEMENT OF GOVERNORS' RESPONSIBILITIES

The governors (who act as trustees for St Ann's Catholic Primary School, A Voluntary Academy and are also the directors of St Ann's Catholic Primary School, A Voluntary Academy for the purposes of company law) are responsible for preparing the governors' report and the accounts in accordance with the Academies Accounts Direction 2019 to 2020 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the governors to prepare accounts for each financial year. Under company law, the governors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

FOR THE YEAR ENDED 31 AUGUST 2020

Opinion

We have audited the accounts of St Ann's Catholic Primary School, A Voluntary Academy for the year ended 31 August 2020 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We draw attention to note 1 in the financial statements, which indicates that St Ann's Catholic Primary School, A Voluntary Academy is expected to be in a deficit position at the end of August 2021. As stated in note 1, these conditions indicate that a material uncertainty exists that may cast significant doubt on St Ann's Catholic Primary School, A Voluntary Academy ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The governors are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the governors' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the governors' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the governors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of governors

As explained more fully in the statement of governors' responsibilities, the governors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the governors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the governors are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2020

In accordance with the terms of our engagement letter and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Ann's Catholic Primary School, A Voluntary Academy during the period 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St Ann's Catholic Primary School, A Voluntary Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the St Ann's Catholic Primary School, A Voluntary Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Ann's Catholic Primary School, A Voluntary Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of St Ann's Catholic Primary School, A Voluntary Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of St Ann's Catholic Primary School, A Voluntary Academy's funding agreement with the Secretary of State for Education dated 28 November 2013 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- We have carried out systems testing to ensure adequate controls are in place to prevent the infringement of regularity requirements.
- We have carried out detailed substantive testing on revenue and capital transactions to ensure these have been properly reflected and recorded in the financial statements and are for the purpose of the trust.
- We have carried out a detailed review of related parties to ensure trustees are not benefiting from transactions with the trust.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The governors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts.

As explained in the trustees' report there is material uncertainty as to whether the going concern basis is appropriate for St Ann's Catholic Primary School, A Voluntary Academy, as an entity. The academy is expected to be in a deficit position at the end of August 2021 and the trustees are looking at cost saving measures to try and mitigate this.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants receivable

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Governance costs

These include the costs attributable to the academy trust's compliance with constitutional and statutory requirements, including audit, strategic management, governors' meetings and reimbursed expenses.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

| | |
|--------------------------------|----------------------|
| Land and buildings | 1-2% straight line |
| Computer equipment | 33% straight line |
| Fixtures, fittings & equipment | 15% reducing balance |

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leasing and hire purchase commitments

Rentals payable under operating leases are charged against income on a straight-line basis over the period of the lease.

1.8 Stock

Stocks of educational supplies are valued at the lower of cost and net realisable value.

1.9 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

ST ANN'S CATHOLIC PRIMARY SCHOOL, A VOLUNTARY ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education & Skills Funding Agency where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education & Skills Funding Agency.

1.12 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 17, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The useful life of the building from which the academy trust operates from was valued in April 2014. The building was estimated at 50 years old at the time of the valuation, and the estimation of the useful life of such a building was 100 years, meaning there was a remaining useful life of 50 years. Therefore the valuation of the building at that date, is being depreciated over this remaining useful life. Any difference in the remaining useful life of the building would affect the carrying amount of the building.

Critical areas of judgement

The main school building is held on a licence from the trustees of the Diocese of Hallam. As the risks and rewards of ownership have been transferred to the academy, the assets have been recognised within tangible fixed assets. The initial acquisition was recognised at depreciated replacement cost on 31 March 2014 based on the valuation by Mouchel MRICS, on behalf of the Education Funding Agency. The trustees consider that the cost of obtaining an additional valuation would outweigh the benefit.

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

| | 2020 Number | 2019 Number |
|-------------------|----------------|----------------|
| £60,000 - £70,000 | 1 | 1 |

Key management personnel

The key management personnel of the academy trust comprise the governors and the senior management team as listed on page 3. The total amount of employee benefits (including employer pension £141,084 (2019 - £129,968)).

7 Governors' remuneration and expenses

The principal and other staff governors only receive remuneration in respect of services they provide undertaking the roles of principal and staff, and not in respect of their services as governors. Other governors did not receive any payments from the academy trust in respect of their role as governors. The value of governors' remuneration was as follows:

S Eady (Principal and Governor)

Remuneration excluding pension contributions £60,000 - £65,000 (2019 - £60,000 - £65,000)

Employer pension contributions £10,000 - £15,000 (2019 - £10,000 - £15,000)

C Brotherton (Vice principal and Governor)

Remuneration excluding pension contributions £40,000 - £45,000 (2019 - £40,000 - £45,000)

Employer pension contributions £10,000 - £15,000 (2019 - £5,000 - £10,000)

During the year, travel and subsistence payments totalling £nil (2019- £ nil) were reimbursed to governors.

Other related party transactions involving members and governors are set out in note 20.

8 Insurance for governors and officers

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the governors and officers indemnity element from the overall cost of the RPA scheme.

(Continued)

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant

The General Annual Grant (GAG) funds have been spent in line with the terms of the Master Funding Agreement. Under this funding agreement, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2020.

Other DfE / ESFA Grants

This includes the pupil premium funding and the PE and sports grant.

The pupil premium is additional funding given to academies so that they can support their disadvantaged pupils and close the gap between them and their peers.

The PE and sports grant was funding received to support the sporting facilities of the academy.

DfE/EFA Group Capital Grants

This includes funding received from the ESFA during the year under the Devolved Formula Capital (DFC) and Condition Improvements Fund (CIF) grants.

Private Sector Capital Sponsorship

This includes funds received from private entities towards the cost of assets acquired in the year/to be acquired.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

17 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Mercer Limited. Both are multi-employer defined benefit schemes. The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2013.

Contributions amounting to £2,496 were payable to the schemes at 31 August 2020 (2019: £4,113) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to the TPS in the period amounted to £52,694 (2019: £33,066).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 16.3% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

| Total contributions made | 2020 £ | 2019 £ |
|--|-----------|-----------|
| Employer's contributions | 21,000 | 15,000 |
| Employees' contributions | 8,000 | 5,000 |

| Rate of increase for pensions in payment/inflation | 2.5 | 2.2 |
| Discount rate for scheme liabilities | 1.7 | 1.8 |
| Inflation assumption (CPI) | 2.4 | 2.1 |

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

| | 2020 Years | 2019 Years |
|----------------------|---------------|---------------|
| Retiring today | | |

20 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the governing body being drawn from local public and private sector organisations, transactions may take place with organisations in which the academy trust has an interest. Furthermore, the Bishop and the Diocese of Hallam Trustee (a company limited by guarantee) are both members of all the Catholic Academies within the Diocese of Hallam, therefore all academies within the learning community could be considered related parties. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures. The following related party transaction took place in the period of account.

The Diocese of Hallam Trustee, a company limited by guarantee, is also a trustee of Roman Catholic Diocese of Hallam, a registered charity.

During the period the Roman Catholic Diocese of Hallam charged the academy £1,483 (2019 - £1,483) for the annual subscription to the Hallam Schools' Partnership Support Fund as well as £175 (2019 - £110) for other services. The cost of both of these services was based on the Diocese's fee per pupil which is a standard fee charged to all academies within the Diocese. Furthermore these costs have DfE/ESFA approval on a national level through discussions held with the Catholic Education Service. An amount of £nil (2019 - £1,483) was outstanding as at 31 August 2020.

Furthermore the Roman Catholic Diocese of Hallam is the legal owner of the property in which the academy resides. No rent is charged by the Diocese for the provision of the property.

During the previous year, the academy trust purchased an annual maintenance contract for the fire equipment and key holder services, from Defender Security Services Limited (2019 - £1,925). The company in the current year no longer qualify as a related party, and therefore the disclosure is no longer required. The company had a director who was a close family member of a trustee of the academy trust (M Watchorn).
