## Plugs for Parents...

**Sponsored Walk 28.05.21:** Here's hoping for a better Friday next week after today's Sponsored Walk was cancelled due to bad weather. On the up side... the children have an extra week to collect as many sponsors as possible! If you haven't already, please bring your forms back to school to be stamped, after which they will be handed back to the children.

**Pentecost Liturgy 27.05.21:** This year each class will take part in their own Pentecost liturgy, celebrating the descent of the Holy Spirit on the disciples of Jesus after his Ascension. Unfortunately, we will not be doing the usual Pentecost parade into Stocksbridge Town centre this year.

**National Online Safety (NOS):** Email scams are when you receive an email from someone purporting to be a genuine person or company, but is actually an online fraudster trying to trick you into disclosing personal information. This is often referred to as 'phishing'. Normally, people click on the links in an email assuming that they will be directed to a trustworthy website – but fake sites, closely resembling the real thing, are increasingly being set up by cyber criminals specifically to capture your personal information, which could, in turn, jeopardise your financial, emotional and possibly even physical wellbeing. In the attached guide, you'll find tips on a number of potential risks such as viruses, financial damage and personal safety.
