Beat the Street: Please could all parents register their child's fob at <https://www.beatthestreet.me/sheffield/> so that if we see an opportunity to use them in school, the children are prepared. When you register you can pick the 'St Ann's Catholic Primary School' team. Each fob and card need to be registered separately.

Gulliver's Valley Theme Park 01.07.21: A letter and consent form has been emailed out to Y3/4 and Y5 parents today. Please complete the consent form and payment by Thursday 24th June, thank you.

Y5/6 End of Year Production 07.07.21: Unfortunately, after Monday's announcement, we will be unable to invite families to come into school to watch the Y5/6 production. Therefore, we will be filming the production and sharing it with parents via a link. Over the coming week, the teachers will have a look to see what costumes they already have for this play. More information will follow if we are short of any costumes, however, be reassured that we will not expect parents to buy or make any costumes last minute, it will all be things you may already have in.

Sports Day 12.07.21: Please note the new start time of 10am. Two people per family are invited to join us for Sports Day, and groups of 30 people will be designated an area of the school field to spectate. Toilets and refreshments will not be available, and we will not be able to have a family picnic this year either. The children will be having lunch as normal in school. If you haven't already done so, please complete this [Sports Day form](#) to register a place at Sports Day.

National Online Safety (NOS): Online hate can affect anyone. Sharing hateful messages about individuals, groups or communities online can have serious consequences and the ubiquity of social media means it's now even easier to target people all over the world. It's important children know how to respond and how they can set a positive example. The Euros, which welcome 24 teams from 24 different countries, playing it out in 11 cities across 1 continent, are a fantastic opportunity to celebrate different cultures, backgrounds and beliefs – and the perfect way to deliver one universal message – let's tackle online hate together. In the guide, you'll find tips on a number of tips such as talking to trusted adults about upsetting things, setting a positive example online and remembering that you have the power to shape your online world. The *Online Hate* guides come in various other European languages. We have attached the languages relevant to our St Ann's families, but if you can request other European languages by contacting the school office.

School Photos: Please could all orders for photos be handed in by **Monday 21st June**, thank you.
