### Music

Battle Chants  
Battle Soundscapes

### Speaking and Listening

Giving reasons and questioning for information

### Computing

CAD (Computer-Aided Design)

### Art

Mosaics

### Design Technology

Design somewhere for a soldier to sleep

### P.E

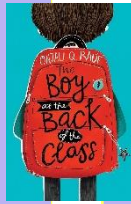

This half term our P.E days are:

**Wednesday  
&  
Friday**

**Reading** - Our class novel is *The Boy at the Back of the Class* by Onjali Q. Rauf

**We expect children to read for 5-10 minutes each day, practice is the only way to improve fluency of word reading.**

### English:

This half term we will be looking at writing a magical narrative, based on The Nowhere Emporium. The children will identify many grammatical features, including parenthesis; relative clauses and juxtaposition. They will identify different word types including adjectives, adverbs, verbs, modal verbs and nouns, whilst continuing to improve their ability to punctuate and editing their own writing.

Later in the term, children will be looking at writing a non-chronological report, and using their knowledge of the passive and active voice, the subjunctive form and mixed-formality writing to create an informative and interesting text.

### Spelling and Handwriting

We will be working on children's handwriting and spelling each week.

Children will be given weekly spelling words each Thursday, to practice at home, which will be tested

### Maths Meetings

Maths meetings will cover place value, units of measurement, multiplication and division of numbers up to one million, mean, mode and average, times tables, rounding to the nearest 100, 1000, 10,000, 100,000 and 1,000,000 and more.

### Maths Lessons

Maths lessons this term will include in depth teaching on missing angles and lengths.

Later in the term we will focus our learning on shapes and coordinates.

### Spanish & Music

Spanish lessons will be held on Thursday afternoons.

Music lessons will be held on Wednesday afternoons.

### Interventions and catch-up curriculum:

Due to COVID-19 school closures, many children still have significant gaps in their learning.

Your child may be invited to different intervention groups throughout the term.

### R.E

Following the Come and See program, our topics are:

Serving, Inter-relating and the World Church
