They will also learn how to communicate in an assertive way, avoiding conflict through mutual respect.

CULTURE

They will also learn how culture affects perception and influences behaviour.

CONSERVATION

By the end of Navigators Phase, pupils will be able to define conservation, outline key areas e.g. biodiversity and understand why it is such an important world issue. They will learn how we can live more sustainably, understanding the importance of natural resources and renewable energy.

On a personal level, they will learn how they can make a difference by reducing their carbon footprint and behaving in a more environmentally responsible way.
